# ABOUT US

Dunia World Services S.a.r.l is a registered general company who supplies a range of products and services in the Mining, Engineering, Agriculture and Renewable Energy Sectors in the Southern and Central Africa regions. In addition, as time went on, the business took off and started leading the way with new products and technology.

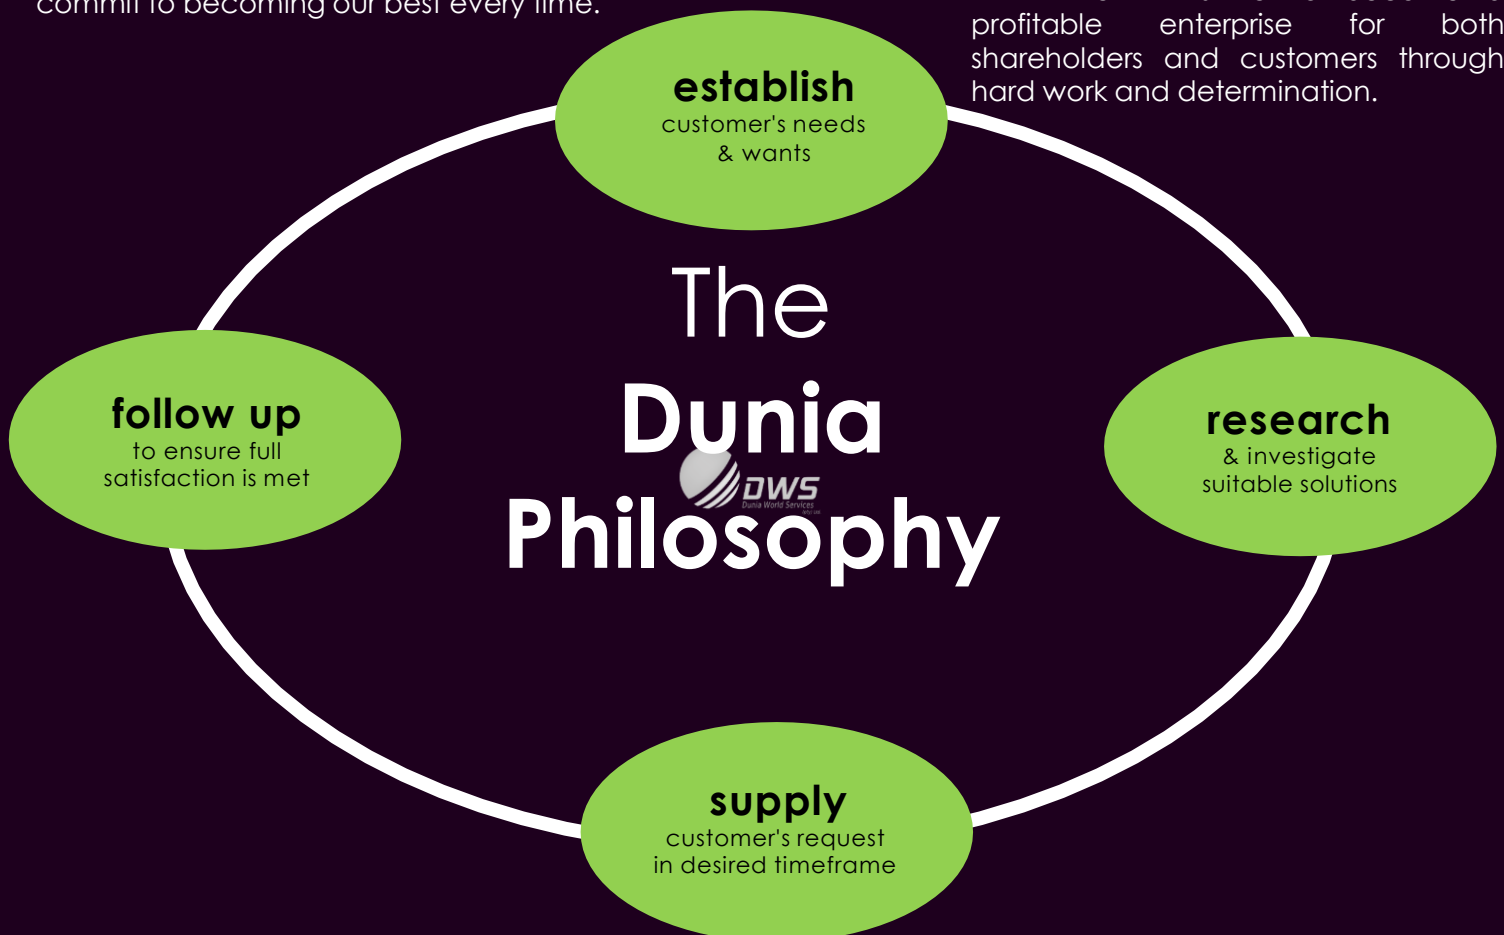

When we deal with our customers on a "One for One and One for One" basis, we treat their property with respect and provide good service of the highest quality. We can always be counted on and are fully competitive with our pricing. We have managed to grow and develop our business in the most innovative way.

## MISSION & OBJECTIVES

- We guarantee that we will provide excellent services and solutions, while providing profitable and sustainable business returns to all of value to the customer to support our welfare and the environment.
- To keep business, ethics, values, and principles at the forefront
- We firmly believe that our workers are "THE ASSET" and will not underestimate their importance.
- "SERVING YOU FIRST" is our motto, so we commit to becoming our best every time.

- The company intends to attain the position of Africa's leading supplier and transport service provider by looking to the future, focusing on both the overall top and the bottom line.
- Be the source of cutting-edge engineering and advanced solutions
- We will focus on our clients and offer affordable, customised solutions and sound ethics to be customer-oriented.
- We will strive to become a profitable enterprise for both shareholders and customers through hard work and determination.

# OUR EXPERTISE

We are a group of engineers, scientists, technicians and experienced administrators focused mainly on added value at the different stages of project development and with proven and diversified experiences in Industrial & mining construction, Environmental Management, Biodiversity Conservation, Ecological Restoration, Development of Green Biotechnologies, Agricultural Production, Supply Chain Management and Logistics for many years.

## ADDITIONAL SERVICES

Agricultural products (market garden products, food crops, livestock and fisheries as well as forestry), Equipment and spare parts, agricultural inputs and others etc.  
Environmental products such as dispenser of Rolls, cushions, pad Hydrocarbon Absorbents and Chemicals; Universal Spill Kits, Oil & Chemical Spill Kits, etc.

## PARTENERSHIP

- Fukula Resources Limited (Zambia/ South Africa)
- EMCS Electromechanical Services Pty Ltd (South Africa)
- Transfields Service S.a.rl (DR Congo)
- Dunia World Services Pty Ltd (South Africa)
- Green Line Pty Ltd. (South Africa )

## CLIENTELE

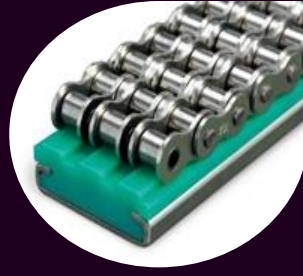

Since our incorporation, we are currently serving a number of high profile clients such as:

- Botswana Breweries Limited (Gaborone, Lobatse and Francistown)
- Nortex Milling Company
- Africa Associated Mine Zimbabwe
- ZIMASCO (PTY) LTD Zimbabwe
- Star Sugar Refinery Bulawayo Zimbabwe
- CFZambia LTD
- Kamo a Copper SA (DRC)
- Kamoto Copper Company KCC (DRC)
- Gecamines Ltd (DRC)
- STL-GCM ( DRC)

# Dunia ARE OFFERING A QUALITY BRAND SELECTION

## BEARINGS

- ball & roller bearings
- thrust bearings
- tapered roller bearings
- linear bearings
- plain spherical bearings
- stainless steel bearings
- plain bush bearings
- bearing housings & units
- precision bearings
- miniature bearings

## CONVEYOR EQUIPMENT

- chain guide wear strip
- guide rail & clamps
- conveyor rollers
- bearing units
- levelling feet
- tightening elements
- support brackets
- geared motors
- mat top chain
- flat top chain

## LUBRICANTS

- bearing grease
- open gear grease
- chain lubricants
- assembly pastes
- anti seize
- food grade lubricants
- wire rope lubricants
- gear & hydraulic oils
- aerosol lubricants
- cutting & tapping fluids

## LUBRICATION EQUIPMENT

- grease nipples
- grease guns
- header blocks
- automatic lubricators
- oil storage containers
- drum trolleys
- lubrication hose reels
- mobile lubricating kits
- oil transfer systems
- custom lube systems

## SEALS & GASKETS

- TC oil seals
- o rings & o ring cord
- wiper seals
- pneumatic seals
- hydraulic seals
- mechanical seals
- gland packing
- gasket sheet
- custom made seals
- seal kits

## ENGINEERING MOVING

- Dumper Truck KAMAZ 8x4 tripper
- Dumper truck KAMAZ 6x6 tripper
- Bobcat
- Dozer

## MOTORS & GEARBOXES

- AC & DC motors
- single & 3 phase motors
- servomotors
- stainless steel motors
- induction motors
- frequency inverters
- speed variators
- worm gear motors
- helical gear motors
- planetary drives

## MOTOR BRAKES & CLUTCHES

- electromagnetic brakes
- electromagnetic clutches
- brake & clutch units
- disc cone clutches
- caliper disc brakes
- expanding shafts
- expansion chucks
- torque limiters
- sprag clutches
- clutching bearings

## PUMPS

- centrifugal pumps
- diaphragm pumps
- rotary vane pumps
- electric drum pumps
- hand drum pumps
- stainless steel pumps
- submersible pumps
- pump o rings & gaskets
- pump bearings
- mechanical seals

## VIBRATORS & VIBRATING EQUIPMENT

- electric vibrators
- pneumatic vibrators
- aerators
- bin activators
- fluidisation pads
- pneumatic hammers
- air cannons
- air blasters
- vibrator motors
- hi frequency vibrators

## WORKSHOP MACHINERY

- bearing induction heaters
- drill press
- pipe & bar benders
- bench grinders
- belt grinders & finishers
- hydraulic press
- workshop fans
- brick saws
- wet & dry vacuums
- air compressors

## INDUSTRIAL HARDWARE

- counters & hour meters
- rubber cushions & mounts
- gauges & switches
- clamping elements
- hinges & handwheels
- shim roll & plates
- handles & knobs
- quick adjustable handles
- springs & gears
- gas struts

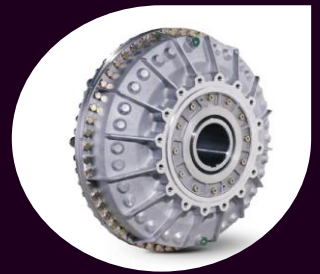

## CHAINS & SPROCKETS

- BS & ANSI roller chains
- stainless steel roller chains
- steel conveyor chains
- plastic conveyor chains
- attachment chains
- custom attachment chains
- industry specific chains
- metal & plastic sprockets
- idler sprockets
- split sprockets

## BELTS & PULLEYS

- v belts & pulleys
- timing belts & pulleys
- polyrib belts & pulleys
- vari speed belts & pulleys
- round profile belts
- flat belts
- conveyor belts
- custom design belts
- emergency tab v belts
- timing bar & plates

## COUPLINGS

- jaw couplings
- spacer assemblies
- gear couplings
- grid couplings
- cone ring couplings
- tyre couplings
- mini precision couplings
- rigid couplings
- universal joints
- zero backlash couplings

## POWER TRANSMISSION PRODUCTS

- overload safety couplings
- adjusting hubs
- timing hubs & devices
- offset shaft couplings
- linear slides & actuators
- adjustable drives
- gear drives
- cable cylinders
- right angle gear boxes
- rotary fluid couplings

## TENSIONING DEVICES

- chain tensioners
- belt tensioners
- sprocket tensioners
- roller tensioners
- slide block tensioners
- idler rollers
- idler sprockets
- tension arms
- plastic & metal tensioners
- tensioning units

## SHAFT LOCKING DEVICES

- taper lock bushes
- QD bushes
- weld on hubs
- hydraulic locking bushes
- cap screw locking bushes
- solid & split shaft collars
- stainless steel shaft collars
- cone ring locking rings
- key steel & woodruff keys
- custom sleeves & spacers

## HOSES & HOSE FITTINGS

- general purpose tubing
- compressed air hoses
- air ducting
- vacuum hoses
- fluid transfer hoses
- layflat hoses
- hook & camlock fittings
- food grade hoses
- hose & T bolt clamps
- cable ties

## PNEUMATICS

- push in fittings
- silencers & mufflers
- food grade fittings
- blow guns & gauges
- tubing & accessories
- actuators & valves
- pressure regulators
- pressure switches
- filter & regulator units
- lubricating units

## PIPE SEALS & FITTINGS

- BSM seals & unions
- tri clover seals & unions
- EPDM food grade seals
- brass fittings
- flat gasket seals
- butterfly valves
- non return valves
- stainless steel tubes
- stainless steel flanges
- sight glasses

## VALVES & FLOW CONTROL

- ball & butterfly valves
- needle & gate valves
- stainless steel valves
- manual valves
- mechanical valves
- solenoid valves
- pressure control systems
- proportional controls
- valve bases & manifolds
- flow meters & gauges

## FASTENERS

- stainless steel fasteners
- high tensile fasteners
- anchor bolts
- grub screws
- humpback pins
- circlips & wave washers
- screws & washers
- staples & rivets
- chemical anchors
- threaded rod

## ASSORTMENT KITS

- o ring kits
- roll & split pin kits
- circlip kits
- spring kits
- grub screw kits
- key steel kits
- brass fitting kits
- stainless steel kits
- seal kits
- custom made kits

## THREADLOCKERS, ADHESIVES & SEALANTS

- threadlockers
- pipe sealants
- thread sealants
- flange sealants
- flexible silicone sealants
- gasket makers
- retaining compounds
- adhesives & glues
- primers & activators
- cleaning agents

## REPAIR PRODUCTS

- shaft repair sleeves
- concrete repair & rebuild
- floor crack repair
- metal repair & rebuild
- stainless steel repair
- joint sealants
- tap & die sets
- machinable putties
- flaw finder kits
- thread repair kits

## PAINTS & COATINGS

- epoxy floor coatings
- self levelling floor binders
- safety grip floor coatings
- floor sealers
- cementitious grouts
- spraypaints
- rust proof paints
- protective coatings
- rust preventatives
- anti corrosive primers

## INDUSTRIAL CHEMICALS

- paint thinners
- industrial degreasers
- kerosene & bleach
- moisture strippers
- CIP detergents
- concrete & acid washes
- corrosion inhibitors
- metal protectants
- rust cleaner & removers
- insecticide & herbicides

## CLEANING PRODUCTS

- workshop spill kits
- absorbent granules & pads
- paper & cloth wipers
- bags of rags
- brooms & brushes
- air sanitisers & deodorisers
- truck, car & vehicle wash
- bathroom disinfectants
- toilet additives & blocks
- laundry powders & liquids

## PERSONAL HYGIENE

- handcleaners & sanitisers
- hand barrier creams
- hand paper towels
- disposable latex gloves
- work socks
- facial & toilet tissues
- towel & soap dispensers
- hair & beard nets
- bootcleaners & polish
- sunscreen & repellents

## HAND TOOLS

- sockets & socket sets
- screwdrivers & hex keys
- pliers & spanners
- precision measuring tools
- saws & cutting tools
- striking & prying tools
- air tools
- tool boxes & storage
- bearing pullers
- automotive tools

## CUTTING & THREADING TOOLS

- thread taps
- drill bits
- die nuts
- countersinks & reamers
- step drills & plug cutters
- end mills
- holesaw cutters & arbors
- hacksaw blades
- tap, die & drill sets
- thread gauges

## ABRASIVES

- sandpaper sheet & rolls
- sanding belts & discs
- cutting discs
- grinding cut off wheels
- fine grinding wheels
- polishing wheels
- mounted points & burs
- wire wheel brushes
- wire deburring brushes
- floor polishing pads

## POWER TOOLS

- cordless power tools
- drills & screwdrivers
- circular saws & jigsaws
- grinders & cutters
- hammers & breakers
- nail guns & heat guns
- chainsaws & brushcutters
- blowers & vacuums
- sanders & polishers
- planers & routers

## INDUSTRIAL TAPES & PACKAGING

- cloth tapes
- masking tapes
- packing tapes
- strapping tapes
- electrical insulation tapes
- glazing tapes
- foam tapes
- double sided tapes
- heavy duty markers
- tape dispensers

## BUILDING HARDWARE & SUPPLIES

- wire mesh reinforcing
- steel mesh & grating
- concrete & cement
- bitumen bags
- builders plastic
- structural fasteners
- anti slip floor coatings
- self levelling floor coatings
- linemarking sprays
- chemical anchors & bolts

## SITE SAFETY EQUIPMENT

- lock out safety padlocks
- emergency wash stations
- safety storage cabinets
- safety floor matting
- traffic cones & bollards
- safety & warning signs
- anti slip floor coatings
- safety mirrors & speed humps
- fire fighting equipment
- first aid kits

## WORKWEAR & PPE

- protective eyewear
- hearing protection
- protective footwear
- gloves & hand protection
- head & face protection
- respiratory protection
- protective clothing
- high visibility clothing
- Dust hood protection
- corporate clothing

## WELDING EQUIPMENT

- welding electrodes & wire
- welding guns
- blow pipes & torches
- Aluminized clothes
- Regulators
- welding hoses & fittings
- solders & fluxes
- welding masks & helmets
- welding machines
- plasma cutting systems

## LIFTING EQUIPMENT

- chain, hooks & fittings
- steel wire ropes
- eye bolts & load rings
- turnbuckles & shackles
- chain blocks & hoists
- girder trolleys & clamps
- chain slings
- flat webbing slings
- winches & jacks
- load restraints & tie downs

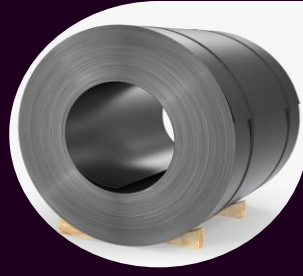

## WHEELS & CASTORS

- heavy duty castors
- stainless steel castors
- pneumatic castors
- spring loaded castors
- high temperature wheels
- gate track wheels
- cast iron wheels
- nylon wheels
- rubber wheels
- pneumatic wheels

## MATERIALS HANDLING & STORAGE

- storage bins
- storage containers
- protective carry cases
- cranes
- ladders
- pallet trucks
- fork stackers
- wheel barrows
- table lifters
- hand & platform trolleys

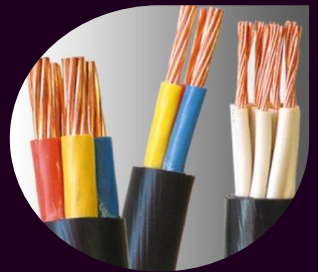

## PLASTICS & RUBBER

- nylon bar & sheet
- polyurethane
- acetyl bar & tube
- perspex sheeting
- lexon sheeting
- rubber sheeting
- rubber door seals
- foam rubber
- food grade materials
- custom profiles

## STEEL & METALS

- round bar & flat bar
- hexagon bar & angle bar
- square bar & hollow bar
- sheet & plate
- coil & tube
- stainless steel & aluminium
- brass & copper
- bronze
- steel balls, rollers & pins
- hardened ground shaft

## ANALYSIS EQUIPMENT

- laser measurement tools
- vibration monitoring kits
- vibration sensors
- ultrasonic probes
- accelerometers
- thermal cameras
- infra red thermometers
- shaft alignment tools
- belt alignment tools
- condition monitoring kits

## INDUSTRIAL ELECTRICAL

- power connectors
- terminals & ferrules
- wiring ducting
- crimping & stripping tools
- patch cords & panels
- cable cord clips & ties
- grounding systems
- energy chains
- electrical cables & wire
- cable ducting

## LIGHTING

- auxiliary lighting
- work lamps
- emergency lighting
- signal lamps
- interior lighting
- light globes
- lighting accessories
- torches & lamps
- marine industry lighting
- mining industry lighting

## AUTOMOTIVE

- wheel bearing kits
- drive & timing belts
- leads & ignition parts
- sensors & filters
- starters & alternators
- wiper blades
- brake pads
- spark & glow plugs
- automotive tools
- batteries

# FIRE RETICULATION

## OVERVIEW

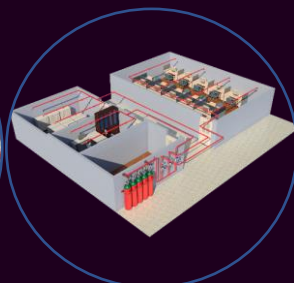

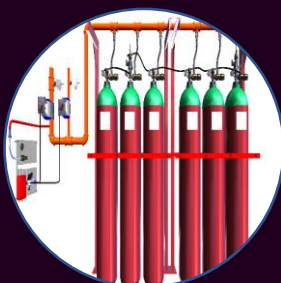

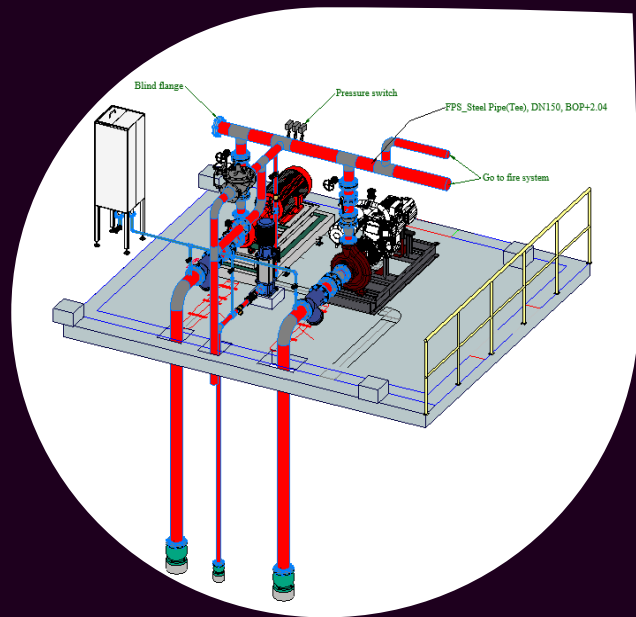

Fire protection systems that are reliable and cost-effective are provided by DWS SARL for its clients. The projects we've done since we started have been high-performance, high-quality, and safe projects. We have the best level of professionalism and value. This is what we do.

DWS SARL is a company that does everything from design to installation and maintenance for you. Our reputation for honesty and quality has helped us become one of the best at installing, servicing, and inspecting fire alarm and extinguishing systems, as well as being one of the best at them. Throughout the years, the DWS SARL team has put in and serviced a lot of life-saving safety systems in commercial and industrial places.

## OUR SERVICES

Our services include the following:

- CAD Design Fire Systems
- Equipment Installation ( & Diesel Electric Fire Pump)
- Fire sprinkler services
- Water testing
- Fire alarm and detection systems
- Fire extinguishers
- Maintenance Essential Safety Measures
- Fire Maintenance Services and Inspection
- Sales and estimation

# FIRE RETICULATION

## PRODUCTS

DWS SARL relies on Viking sprinklers, control valves, and other specialized components. Viking is one of the world's largest distributors of fire protection equipment, and they can provide the best products to meet specific needs.

• Brass Upright Sprinkler

• ESER Sprinkler

• Chrome Pendent Sprinkler

• Dry Pendent Sprinkler

• Horizontal Sprinklers

• Smoke Alarms

• Fire Alarms

• Fire Extinguishers

• Fire Hose Reel

• Booster Connection

• Gas Suppression

• Foam System Bladder

• Sprinkler Control Valve

• In Rack Sprinklers

• Water Supplies

• Commercial Fire Pump

# COAL

## 16mm to 32mm

### Peas

Washed coal, high in calorific value, low ash and sulphur with size fraction ranging from 16mm to 32mm. Used at power stations, poultry farms, brick manufacturing, hospitals and breweries amongst others, because of its high heat content.

## 0mm to 16mm

### Fines

Washed coal high in calorific value, low ash and sulphur with size fraction ranging from 0mm to 16mm. Used mostly in cement manufactures because of its high heat content.

## 40 mm to 110mm

### Cobbles

Washed coal, high in calorific value, low ash and sulphur with size fraction ranging from 40 mm to 110mm. Used mainly at Ferro metal industries as a reductant and for providing heat.

## 25mm to 40mm

### Nuts

Washed coal, high in calorific value, low ash and sulphur with size fraction ranging from 25mm to 40mm. Used at Ferro metal industries like cobbles and in boilers for steam production (e.g. chicken abattoirs).

## ORDERS - QUOTES - ENQUIRIES

### PHONE

Phone your nearest office for fast and friendly assistance

### FAX

Fax your nearest office at your convenience

### E MAIL

Email your nearest office or preferred salesperson

### ONLINE

Visit [www.duniaws.com](http://www.duniaws.com) and fill in the easy to use forms

### COUNTER

Visit your nearest office and speak face to face with a salesperson

### ON SITE

Arrange for an Dunia salesperson to visit you at your workplace

## RECEIVING GOODS

### Dunia DRIVER

Dunia drivers deliver your order your workplace

### Dunia COURIER

Dunia deliver your order to your workplace via courier

### PICK UP

Collect your order from your nearest Dunia office

### COURIER

Arrange your own courier to deliver your order to your workplace

## PAYMENT OPTIONS

### ACCOUNT

Fill out a Credit Application form and use Purchase Order numbers

### C.O.D.

Open a Cash On Delivery account

### CASH

Pay cash

### CREDIT CARD

We accept all credit cards \*  
\* AMEX not accepted

### CHEQUE

Pay by cheque

### EFT

Pay using EFT
